If the problem cannot be resolved at the school, it shall then be brought to the Superintendent of Schools. If the problem cannot be resolved with the Superintendent of Schools, it may then be brought to the Board.

Citizens of the community have the expressed right and are encouraged to attend meetings of the Board to listen to and observe the deliberations of its members. The following regulations are adopted to preserve the orderly pursuit of business of the Board and to provide proper opportunities for legitimate and objective discussion and analysis of the issues presented. Board meetings are public meetings and not meetings of the public; however, any citizen may request the opportunity to communicate with the Board and be recognized to speak regarding appropriate issues. **Persons desiring to communicate with the Board shall submit a written request to the Superintendent stating their name, home address, the topic about which they wish to speak and the group they represent, if applicable, no later than 24 hours prior to the scheduled Board meeting. Please use the form provided for this purpose.**

The Board vests in its chairperson or other presiding officer authority to determine whether it is in the interest of the Board to allow any individual or group to make an oral presentation before the Board. Persons who are granted the opportunity to speak will be recognized by the chairperson at the appropriate time during the meeting. Speakers will be limited to three minutes. If there are numerous requests to address the Board the chairperson may select representatives to speak on each side of the issue. The Board also vests in its chairperson or other presiding officer authority to terminate the remarks of any individual who does not adhere to the guidelines established by the Board.

Personal complaints of school employees should follow the Complaints and Grievances procedures established by the Board.

Individuals and/or groups who addressed the Board previously may be denied the opportunity to address the Board again on the same topic.

The Board will usually not respond to comments or questions posed by citizens during the Board meeting, but will take those comments and questions under advisement. When appropriate, the comments and questions shall be referred to the Superintendent for consideration and a later response.
