

## Keep Douglasville Beautiful Student Auxiliary Program Application

Keep Douglasville Beautiful (KDB) is pleased to offer the students of Douglas County an opportunity to participate in our Student Auxiliary Program (SAP). As a student volunteer you will learn the benefits of working with a non-profit organization that is committed to practicing, promoting, and encouraging environmental stewardship within our community.

This program will allow you to participate at a higher level within a community organization, help with various events, and assist in making positive impacts within Douglas County. This program provides opportunities for you to gain experience, build relationships, gain community service hours and have an excellent volunteer highlight for your college or employment resume. Student Auxiliary Program members will also have the opportunity to earn a scholarship valued up to \$1000.00.

Student Auxiliary members will participate in KDB board meetings, volunteer and assist with events, represent KDB at ceremonies, events or luncheons, assist with outdoor cleanup projects, and promote KDB within the community. You may also be involved in outreach to schools or civic/volunteer groups. The level of commitment from you may also require weekend or evening work at times. You are required to complete a minimum of 20 hours to be eligible and considered for the scholarship.

Applicants to the Program should:

- Be a High School Junior or Senior enrolled in a Douglas County School.
- Be at least 16 years of age with a valid driver's license and means of transportation at time of application.
- Have the ability to commit to a minimum of 20 hours of service during the months of September through May.
- Represent KDB at ceremonies, events or other public functions.
- Have the ability to interact with local businesses, politicians, volunteers, school and community leaders.
- Have an interest in or prior experience in working on environmental projects (recycling/litter/beautification).
- Be able to assist with outdoor, manual work at times (cleanup events/flower planting).
- Promote a positive image in the community.
- Organize, promote and lead a project or activity that encourages environmental stewardship within the school or community. Status reporting and project updates will be required.

To apply for the program, please complete the application and submit to our office by June 1, 2019 via email to [info@keepdouglasvillebeautiful.org](mailto:info@keepdouglasvillebeautiful.org) with the subject "SAP Application" or mail to Keep Douglasville Beautiful, Student Auxiliary Program, P.O. Box 219, Douglasville, GA 30134. **Up to two students will be selected to participate each school year.**

Applications can be found at [www.KeepDouglasvilleBeautiful.org](http://www.KeepDouglasvilleBeautiful.org) under the KDB Student Auxiliary Program link on the left hand side of the page.

Selected student(s) will be notified by email by August 1, 2019.

Thank you for applying and good luck!
