## Why Beulah Elementary?

*“The Spanish Immersion Program at Beulah Elementary was more than a course of study for our three kids, it was a way of life. From kindergarten to 5th grade, our children absorbed vital academic information in both English and Spanish. Beulah set the foundation for our kids' academic future. Beulah is not just a school that teaches select students Spanish, it is a community. My children have taken what they learned from Beulah and are very successful in their current accelerated Spanish courses.”*

–Former Beulah Parent of three Dual Language students

## Achievements

- ◇ Recognized by GA Department of Education for Dual Language Immersion Program
- ◇ Recognized by GA Department of Education as a 2019 “Beating the Odds” School from the Governor’s Office of Student Achievement
- ◇ Awarded an \$11,000 Google Grant for “Bridging the Digital Divide through the Use of Technology”
- ◇ Recipient of a Georgia Foundation for Public Education Grant – El Mercado de los Abejitas (The Market of the Little Bees)
- ◇ Serves as a model observation site for Dual Language Education
- ◇ Maintains a partnership with Georgia State University ESCUELA Project (Equipping Schools, Communities, and Universities for Excellence in Language Acquisition)

## Inside the Classroom

The Vision of Beulah is to help all children reach their full potential! Beulah Elementary provides a comprehensive educational experience, enabling all children to grow, learn and succeed. Students are challenged to achieve, encouraged to set goals, and motivated to take risks. With clear academic expectations and educators dedicated to the needs of each learner, our students continue to show high levels of academic performance and growth on local and state assessments. In addition to offering rigorous academic opportunities, Beulah offers the enriched educational experience of Two-Way Immersion (also known as Dual Language Education) to families who choose this instructional pathway. The Dual Language program prepares students for the global community where bilingual communication skills are an asset.

Beulah Elementary students and parents have a choice of instructional formats. Incoming kindergarten parents may choose traditional English instruction, or they may choose the Dual Language Immersion Program where instruction is presented in English and Spanish. Both programs ensure an exemplary educational experience for both native English and native Spanish speaking students.

## Our Vision

The vision of Beulah Elementary School is to build a community of lifelong learners that become responsible individuals, independent thinkers, and productive citizens.

## Principal's Message

*Welcome to Beulah Elementary School - Home of the BEES!*

*On behalf of the entire Beulah staff, I am happy to welcome you to our incredible school family! It is our goal to create a safe, secure and engaging learning environment where students feel free to take risks, accept challenges and make mistakes - because this is how learning occurs! We firmly believe that all children can succeed and consider it a privilege to work with you and your child on this educational journey.*

*I am honored to serve as the principal of Beulah Elementary. It is truly a blessing to be part of a community where parents, teachers and students care for each other and strive to build positive relationships that support academic and social growth.*

*I am looking forward to a productive partnership with you to ensure your child achieves his/her highest potential. Please feel free to contact me at 770-651-3309 or [lisa.golden@dcssga.org](mailto:lisa.golden@dcssga.org).*

*Again, welcome to the Beulah family! We are so glad you're here!*

With leadership pride,  
Lisa Golden, Principal

## Beyond the Classroom

Beulah Elementary extends learning beyond the classroom. With funding provided by the 21st Century Grant, selected students participate in Hive Achievers, an after school tutoring and enrichment program. During Hive Achievers, certified teachers provide inquiry-based lessons, hands-on opportunities, homework assistance and collaborative group projects.

Additional clubs are available to spotlight students who excel in specific academic content areas. The Math Club and Tome Reading Club practice weekly preparing for local and regional competitions. The Science Team works collaboratively to build a Google car anticipating the district's annual Georgia Gravity Games. The Jr. Beta Club promotes academic growth, character development and servant leadership.

Several extracurricular clubs focus on developing fitness and fine arts skills. Road Runners, BEE Squad Step Team and Chorus provide options for students to strengthen talents and highlight personal interests. The Step Team and Chorus share their love of dance and music with the community as they perform at multiple events throughout the year.

Beulah is a place where diversity, achievement and talents are celebrated. Our families and community members gather to celebrate cultural diversity with our annual Black History Celebration and Hispanic Heritage Festival. Parents are also encouraged to attend numerous academic, fine arts and fitness events with their children. A few of these events include recognition celebrations, painting parties, STEM days, technology nights, science extravaganzas, and reading pajama parties.

## Community Partnerships

Beulah receives tremendous support from the community with a thriving PTO and dynamic partnerships with local organizations and businesses. Our PTO raises funds for yearly initiatives, mentors students needing additional support and assists teachers with individual requests. Greystone Power, Beulah Baptist Church, and many other local sponsors, support our students both in and out of the classroom with resources, incentives, and monetary donations. At Beulah, we learn together and celebrate together! We are proud of our students' success, families' involvement, and community's support.
