Why Chapel Hill Elementary?

"Chapel Hill Elementary is like an extension of our household, given the time that my children spend there and the concern that the teaching staff and administrators show for their personal and educational well-being."

—*Chapel Hill Parent*

"Being a new family to the Chapel Hill Elementary community, our teachers have been phenomenal in making this a smooth transition academically and socially. My children have adjusted well and are both thriving."

—*Chapel Hill Parent*

Inside the Classroom

Chapel Hill Elementary School strives to meet the needs of all students and their unique, individual learning needs. The curriculum adheres to the Georgia Standards of Excellence, and teachers utilize best instructional strategies to meet the needs of all learners. Programs such as Saxon Phonics, iReady Reading, and Envision are utilized to enhance instruction and provide a strong foundation of literacy and number sense. Additionally, students experience hands-on learning in the school's STEAM lab and in the school's garden.

Technology is utilized in every classroom. Teachers and students have access to an Interactive Promethean Board, document cameras, and every child is provided with a laptop to enhance instruction. Instructional technology includes Classworks, BrainPop, and Lexia, as well as a range of other educational programs to engage 21st century thinkers and learners.

Together, we shape the future.

Our Vision

The vision of Chapel Hill Elementary School is to build a community of lifelong learners that become responsible individuals, independent thinkers, and productive citizens.

Principal's Message

My vision for CHES is to continue to cultivate a positive school environment where students become responsible individuals, independent thinkers, and productive citizens in a global society! At Chapel Hill, teachers collaborate to develop instruction infused with high impact teaching strategies that engage and excite learners. We believe in strong partnership between home and school, and create various opportunities throughout the year to engage with our stakeholders. Chapel Hill Cheetahs are committed to ensuring that every child is academically, socially, physically and emotionally successful!

-Principal K'Asha Davis

Beyond the Classroom

Students are encouraged to participate in a variety of clubs and activities that are meant to enrich the instructional program and impart important life skills such as leadership, citizenship, and community service. Teachers volunteer to serve as instructors, mentors, and role models for a variety of extracurricular activities. Not only do these clubs give students additional learning opportunities, but they also provide invaluable experiences as goodwill ambassadors of our school community through service and representation. Clubs such as Chorus, Art, and Roadrunners afford students an additional avenue for participation in preferred, enjoyable activities while developing essential social skills through positive peer interactions. These clubs and activities include:

◊4-H Club
◊Art Club
◊Chorus
◊Club Tome
◊CNN News Crew

◊Georgia Gravity Games
◊Math Club
◊National Junior Beta Club
◊Roadrunners Club
◊Student Ambassadors

Achievement. Character. Responsibility.
