Parents who elect to send their child to another school through the School Choice Option must assume responsibility for transporting their child to and from school. **No transportation will be provided.** All students, including those attending a school on transfer, are expected to arrive at school on time and be picked up on time each day. All students are expected to follow school policies and regulations. Acceptable behavior, attendance, grades, and a cooperative/productive relationship between home and school must be maintained in order for transfers to remain valid.

School Choice Transfer Applications must be submitted online between April 12 and April 27, 2023, by 11:59 p.m.

If we receive more applications than spaces available, a computer generated lottery will be conducted to assign the spaces.
You will be notified of the status of your application through the parent dashboard.
